Dated: 26 August 2021

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.miramarresources.com.au.

2. RESOLUTION 1 –ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

As this is the Company's first annual general meeting since being admitted to the Official List, the remuneration report of the Company has not been considered before. Accordingly, a Spill Resolution will not be relevant for this Annual General Meeting.

3. RESOLUTION 2 –RE-ELECTION OF MR ALLAN KELLY

3.1 General

ASX Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Allan Kelly, who has served as an Executive Chairman since 6 August 2019, retires by rotation, and seeks re-election.

3.2 Qualifications and other material directorships

Mr Allan Kelly is the founding Director of Miramar Resources Limited.

Mr Kelly is a geologist, geochemist and manager with over 25 years' experience in mineral exploration, project development and gold production throughout Australia and the America, as well as management experience in the craft brewing and hospitality industries.

In 2009, Allan founded Doray Minerals Limited, which listed on the ASX in early 2010 and was the most successful IPO of that year following the discovery of the high-grade Wilber Lode gold deposit within the Andy Well Project in the Murchison Region

of Western Australia. Under Allan's management, Doray grew from an exploration IPO to an ASX 300 company with two high grade gold mines in less than 6 years.

Mr Kelly was awarded the AMEC "Prospector Award" in 2014, along with co-founder Heath Hellewell, for the discovery of the Andy Well gold deposits.

He holds a Bachelor of Science (Hons) and a Graduate Certificate in Business. He is a Fellow and former Councillor of the Association of Applied Geochemists (AAG), a Member of the Australian Institute of Geoscientists (AIG) and a member of the Institute of Brewers and Distillers (IBD).

During the past 3 years Mr Kelly has also served as a director of the following other listed companies:

- Alloy Resources Limited (10 February 2017 – 1 May 2019)
- Riversgold Limited (24 February 2017 – 26 March 2019)

3.3 Independence

If re-elected the board does not consider Mr Kelly to be an independent Director.

3.4 Board recommendation

The Board has reviewed Mr Kelly's performance since his appointment to the Board and considers that Mr Kelly's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Kelly and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – ADOPTION OF EMPLOYEE SHARE OPTION PLAN (ESOP)

4.1 General

The Company established an Employee Share and Option Plan (**ESOP**) in 2020. The objective of the ESOP is to attract, motivate and retain key employees and the Company considers that the adoption of the ESOP and the future issue of securities under the ESOP will provide selected employees with the opportunity to participate in the future growth of the Company, which will likely encourage them in carrying out their respective roles for the Company. Further, the ESOP gives the Company the flexibility to retain its cash reserves during the current uncertain economic and financial environment.

Resolution 3 seeks Shareholder approval for the adoption of the ESOP, and for the issue of securities under the ESOP, in accordance with Listing Rule 7.2 (Exception 13(b)).

4.2 ASX Listing Rule 7.1 and 7.2 (Exception 13)

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive plan if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of Equity Securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of Equity Securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 3 is passed, the Company will be able to issue securities under the ESOP to eligible participants over a period of 3 years. The issue of any securities to eligible participants under the ESOP (up to the maximum number of securities stated in Section 3.4 below) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the ESOP to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 3 is not passed, the Company will be able to proceed with the issue of securities under the ESOP to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the securities. The Directors recommend that Shareholders vote in favour of Resolution 3.

4.3 Technical information required by ASX Listing Rule 7.2 (Exception 13(b))

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 3:

- (a) A summary of the terms and conditions of the ESOP is set out in Schedule A. In addition, a copy of the ESOP is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the ESOP can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.
- (b) The Company has issued 50,000 Options under the ESOP since the Company was admitted to the Official List of ASX. These Options were issued under the Company's available placement capacity under Listing Rule 7.1 to employees of the Company (not Directors or related parties).
- (c) The maximum number of Options proposed to be issued under the ESOP, following Shareholder approval, is 2,750,000 Options and will be in accordance with the terms and conditions set out in Schedule A. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.

4.4 Voting exclusion

A voting exclusion statement for Resolution 3 is included in this Notice.

5. RESOLUTION 4 TO 6 – ISSUE OF RELATED PARTY OPTIONS

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 1,500,000 Options (**Related Party Options**) to each of Mr Allan Kelly, Ms Marion Bush, and Mr Terry Gadenne (together, the **Related Parties**) pursuant to the ESOP on the terms and conditions set out below.

The Directors, being Mr Allan Kelly, Ms Marion Bush, and Mr Terry Gadenne, are all entitled to participate in the ESOP.

Resolutions 4 to 6 seek Shareholder approval for the issue of the Related Party Options to the Related Parties.

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes the giving of a financial benefit and Mr Allan Kelly, Ms Marion Bush, and Mr Terry Gadenne are Related Parties of the Company by virtue of being Directors of the Company.

As the Related Party Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Related Party Options.

Accordingly, Shareholder approval for the issue of Related Party Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

5.3 ASX Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Related Party Options to the Related Parties falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolutions 4 to 6 seek the required Shareholder approval for the issue of the Related Party Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14.

5.4 ASX Listing Rule 14.1A

If Resolutions 4 to 6 are passed, the Company will be able to proceed with the issue of Related Party Options to the Related Parties under the ESOP within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Related Party Options (because approval is being obtained under Listing Rule 10.14), the issue of the Related Party Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 4 to 6 are not passed, the Company will not be able to proceed with the issue of the Related Party Options and may need to find an alternative method to incentivise and motivate the Directors.

5.5 Technical information required by section 219 of the Corporations Act and ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of sections 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Related Party Options to the Related Parties:

- (a) the Related Party Options will be issued to the following persons:
 - (i) Allan Kelly (or their nominee) pursuant to Resolution 4;
 - (ii) Marion Bush (or their nominee) pursuant to Resolution 5;
 - (iii) Terry Gadenne (or their nominee) pursuant to Resolution 6; and
- (b) the maximum number of Related Party Options to be issued to the Related Parties (or their nominees) is:
 - (i) 500,000 Related Party Options to Allan Kelly pursuant to Resolution 4;
 - (ii) 500,000 Related Party Options to Marion Bush pursuant to Resolution 5; and
 - (iii) 500,000 Related Party Options to Terry Gadenne pursuant to Resolution 6;

each of whom falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director;
- (c) the Related Party Options will be issued on the terms and conditions as set out in Schedule B;
- (d) a summary of the material terms and conditions of the ESOP is set out in Schedule A;
- (e) no loan will be provided to the Related Parties with respect to the Related Party Options;
- (f) no Related Party Options have previously been issued under the ESOP;
- (g) the Related Party Options will be issued to the Related Parties no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Shares will be issued on one date; the Related Party Options will be granted for nil cash consideration, accordingly no funds will be raised and the Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Related Party Options);
- (h) the value of the Related Party Options and the pricing methodology is set out in Schedule C;
- (i) the Related Party Options are unquoted Options. The Company has agreed to issue the Related Party Options to the Related Parties subject to Shareholder for the following reasons:
 - (i) the Related Party Options are unquoted; therefore, the issue of the Related Party Options has no immediate dilutionary impact on Shareholders;
 - (ii) the deferred taxation benefit which is available to the Related Parties in respect of an issue of Related Party Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Related Party Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Options on the terms proposed;
- (j) the number of Related Party Options to be issued to each of the Related Parties has been determined based upon a consideration of:
 - (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) the remuneration of the Related Parties; and
 - (iii) incentives to attract and retain the service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.
- (k) the Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Options upon the terms proposed;
- (l) the relevant interests of the Related Parties in securities of the Company as at the date of this Notice are set out below:

Related Party	Shares ¹	Options ^{2,3}
A Kelly	6,707,293	2,000,000
M Bush	435,000	1,360,000
T Gadenne	200,000	1,200,000

Notes:

1. Fully paid ordinary shares in the capital of the Company (ASX: M2R).
2. Unquoted Options exercisable at \$0.20 each on or before 22 October 2022 (ASX: M2R).
3. Unquoted Options exercisable at \$0.20 each on or before 26 June 2025 (ASX:M2R).

- (m) the total remuneration package paid from the Company to the Related Parties and their associates for the previous two financial years are set out below.

Related Party	2021 Financial Year ¹	2020 Financial Year
A Kelly	\$262,203	Nil
M Bush	\$147,713	Nil
T Gadenne	\$70,815	Nil
Total	\$480,731	Nil

Notes:

1. Comprising Directors' fees/salary of \$295,222, a superannuation payment of \$28,207, other payments of and share-based payments of \$157,302 (including an increase of \$157,302, being the value of the Related Party Options).

if the maximum number of Related Party Options are issued to the Related Parties are exercised, a total of 1,500,000 Shares would be issued. This will increase the number of Shares on issue from 56,850,100 to 58,350,100 (assuming that assuming that no Shares are issued and no convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate 2.64% comprising 0.9% by Mr Kelly, 0.9% by Ms Bush and 0.9% by Mr Gadenne.

The market price for Shares during the term of the Related Party Options would normally determine whether the Related Party Options are exercised. If, at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (n) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.415	22 October 2020
Lowest	\$0.160	4-9 August 2021
Last	\$0.205	15 September 2021

- (o) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (p) each Director has a material personal interest in the outcome of Resolutions 4 to 6 on the basis that all of the Directors (or their nominees) are to be issued Related Party Options should Resolutions 4 to 6 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 4 to 6 of this Notice; and
- (q) in forming their recommendations, each Director considered the experience of each other Related Party, the existing and proposed contribution of each Related Party to the Company and the current market practices when determining the number of Related Party Options to be issued; and
- (r) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4 to 6.

6. RESOLUTION 7 – APPROVAL OF 7.1A MANDATE

6.1 General

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$11,543,571 (based on the number of Shares on issue and the closing price of Shares on the ASX on 15 September 2021).

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval. If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

6.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 7.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the following purposes:

- (i) continued exploration expenditure on the Company's current Projects;
- (ii) consideration and acquisition of new projects (including expenses associated with such an acquisition);
- (iii) administration; and
- (iv) general working capital.

(d) Risk of voting dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the market price of Shares and the number of Equity Securities on issue as at 15 September 2021.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)

			Dilution		
			Issue Price		
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	\$0.103	\$0.205	\$0.308
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	56,310,100	5,631,010	\$577,179	\$1,154,357	\$1,731,536
50% increase	84,465,150	8,446,515	\$865,768	\$1,731,536	\$2,597,303
100% increase	112,620,200	11,262,020	\$1,154,357	\$2,308,714	\$3,463,071

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table uses the following assumptions:

1. There are currently 56,310,100 Shares on issue as at the date of this Notice of Meeting. They consist of both restricted and freely tradeable fully paid ordinary shares.
2. The issue price set out above is the closing price of the Shares on the ASX on 15 September 2021.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Related Party Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company has not previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A. During the 12 month period preceding the date of the Meeting, being on and from 4 November 2020, the Company has not issued any Equity Securities under Listing Rule 7.1A.2.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

6.3 Voting Exclusion

As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 7.

SCHEDULE A – SUMMARY OF EMPLOYEE SHARE OPTION PLAN (ESOP) TERMS AND CONDITIONS

In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such restriction period determined.</p>

The Board may at any time amend all or any of the provisions of the ESOP to effect the establishment of such a trust and the appointment of such a trustee.</p>
Amendments	<p>Subject to express restrictions set out in the ESOP and complying with the Corporations Act, ASX Listing Rules and any other applicable law, the Board may, at any time, by resolution amend or add to all or any of the provisions of the ESOP, or the terms or conditions of any Option granted under the ESOP including giving any amendment retrospective effect.</p>

SCHEDULE C– VALUATION AND METHODOLOGY OF RELATED PARTY OPTIONS

The Related Party Options to be issued to the Related Parties pursuant to Resolutions 4 to 6 have been independently valued.

Using the Black & Scholes option model and based on the assumptions set out below, the Related Party Options were ascribed the following value:

Assumptions:	
Valuation date	26 August 2021
Market price of Shares	\$0.215
Exercise price	\$0.323 ¹
Expiry date (length of time from issue)	4 years
Risk free interest rate	0.51% ²
Volatility (discount)	79.23% ³ (no discount) ⁴
Indicative value per Related Party Option	\$0.105
Total Value of Related Party Options	\$157,302
- Mr Allan Kelly (Resolution 4)	\$52,434
- Ms Marion Bush (Resolution 5)	\$52,434
- Mr Terry Gadenne (Resolution 6)	\$52,434

Note: The valuation noted above is not necessarily the market price that the Related Party Options could be traded at and is not automatically the market price for taxation purposes.

1. The actual deemed exercise price will be the volume weighted average sale price for the five (5) trading days before approval by shareholders + 50% premium. Based on historical and current market trends, the Company has taken the assumption that the current market price + 50% premium is the best estimate of the exercise price.
2. A risk-free rate used for the purpose of the analysis is the five year Australian Government bond rate as at 23 August 2021 being 0.51%;
3. The expected volatility reflects the actual volatility since listing on ASX. This may not necessarily be the actual outcome.
4. The options to be issued have restricted marketability as they cannot be traded on an active market. Therefore, a discount of 50% has been applied to the valuation to reflect the value of the options and the non-marketable nature of the options.
